PROJECTS

Full-Funnel Attribution & Budget Allocation Model | Keysight

- **Challenge:** Fragmented regional strategies and inefficient cross-channel budget allocation across a **\$3M+** portfolio.
- **Action:** Rebuilt attribution using GA4 and intent data, restructuring Search, Programmatic, and Social investment.
- **Outcome:** Improved conversions **22%**, cut CPA **17%**, lifted ROMI up to **20%**, and grew pipeline contribution **15%**.

Skills: Full-Funnel Optimization, Attribution, Analytics Modernization, Budget Governance

Regional Paid Media Rebuild (APJC) | Cisco

- **Challenge:** Inconsistent performance and high CPA across networking, collaboration, and SaaS portfolios in APJC.
- **Action:** Deployed mobile-first acquisition programs and optimized **\$4M+** annual investment across Search, Social, and Programmatic.
- **Outcome:** Grew qualified pipeline **25%**, cut CPA **15–17%**, and delivered **15x ROMI**.

Skills: Paid Media, Regional GTM, Mobile-First Acquisition, Budget Optimization

Brand-to-Demand ABM Program | Cisco

- **Challenge:** Limited brand differentiation and account engagement across APJC's most strategic accounts.
- **Action:** Ran ABM-driven content syndication from brand to demand, paired with insight-led video and programmatic brand-lift campaigns.
- **Outcome:** Grew account penetration to **40%** in 6 months, lifted lead-to-opportunity conversion **20%**, improved brand recall **9%**, and lifted brand consideration **2.5 points**.

Skills: ABM, Content Syndication, Brand Strategy, Programmatic Video

Webex Freemium Acquisition Program | Cisco

- **Challenge:** Needed a scalable digital motion to grow SaaS subscription adoption beyond direct sales.
- **Action:** Launched a Webex freemium acquisition program with Compuage, using marketplace positioning and partner-led fulfillment.
- **Outcome:** Generated **\$1M** in incremental revenue and **6,000+** new users.

Skills: SaaS Acquisition, Partner Marketing, Freemium GTM, Ecommerce

Sales-Marketing Demand Capture & Pipeline Model | Cisco

- **Challenge:** Attribution gaps and weak sales-marketing alignment limited revenue visibility.
- **Action:** United Sales, Field Marketing, and Partner teams around a shared demand-capture model using click-to-call, paid lead syndication, and GA4/Salesforce tracking.
- **Outcome:** Improved attribution visibility **25%** and supported partner-led programs generating **\$120K** in incremental bookings.
