20 YEARS	\$3M-\$4M+	400+	6,000+	15X ROMI
----------	------------	------	--------	----------

Executive Positioning

Executive Summary: 20 years of enterprise marketing experience spanning digital growth, demand generation, GTM, integrated marketing, customer acquisition, analytics, automation and commercial transformation.

Portfolio Value: Built and scaled demand engines, optimized media investments, improved conversion performance, accelerated pipeline, strengthened brand visibility and modernized marketing operations for global technology organizations.

Selected Impact: 22% conversion growth, 25% demand growth, 20% pipeline conversion uplift, 40% account penetration, 6,000+ SaaS users and \$120K bookings.

Global Full-Funnel Demand Engine Optimization | Keysight

KEYWORDS: Full-funnel optimization | Attribution | Intent data | Cross-channel planning

CHALLENGE	Fragmented regional strategies and inefficient cross-channel budget allocation across a \$3M+ portfolio.
ACTIONS	Implemented GA4-led attribution modeling, integrated intent data and restructured Search, Programmatic, Social and eCommerce investments.
BUSINESS OUTCOMES	22% increase in qualified conversions, 17% reduction in CPA and 18% improvement in ROMI.

Regional Paid Media Transformation | Cisco

KEYWORDS: Paid media | Acquisition | Regional GTM | Optimization

CHALLENGE	Inconsistent performance across markets and high CPA for networking, collaboration and SaaS products.
ACTIONS	Deployed mobile-first acquisition programs and optimized \$4M+ annual budgets across Search, Social and Programmatic.
BUSINESS OUTCOMES	25% increase in qualified demand, 18% improvement in conversion rates and 15% reduction in CPA.

Integrated Brand & Performance Growth Strategy | Cisco

KEYWORDS: **Brand-to-demand** | **ABM** | **Content syndication** | **Pipeline growth**

CHALLENGE	Need to scale brand reach in focus accounts while improving enquiry generation for sales.
ACTIONS	Designed content syndication programs from brand to demand with full-funnel optimization and lead generation for pipeline growth.
BUSINESS OUTCOMES	40% account penetration in 6 months and 20% ROMI improvement through enquiry generation.

Build Scalable B2B Lead Generation Engine | Cisco

KEYWORDS: **Lead generation** | **CRO** | **ABM** | **Intent targeting**

CHALLENGE	Low lead-to-opportunity conversion and inconsistent targeting precision across enterprise demand programs.
ACTIONS	Implemented click-to-call ads, doc ads, lead-gen ads, event lead-gen, Google lead-gen, ABM, intent targeting, retargeting and CRO experiments.
BUSINESS OUTCOMES	400+ qualified leads annually with sustained double-digit conversion growth.

Marketing-to-Sales Pipeline Acceleration | Cisco

KEYWORDS: **Sales alignment** | **Revenue visibility** | **Attribution** | **Partner GTM**

CHALLENGE	Attribution gaps and weak alignment between marketing and sales limited revenue visibility.
ACTIONS	Partnered with Sales, Field Marketing and Partner teams to create a perpetual demand capture program using click-to-call, paid lead syndication and GA4/Salesforce tracking.
BUSINESS OUTCOMES	25% improvement in attribution accuracy and 20% uplift in pipeline conversion.

User Acquisition for B2B SaaS using Ecommerce Marketing | Cisco

KEYWORDS: **SaaS acquisition** | **Ecommerce** | **D2C** | **Marketplace growth**

CHALLENGE	Offline acquisition channels were constrained during COVID and digital channels were needed for SaaS growth.
ACTIONS	Listed fast-moving products on Amazon ecommerce marketplace for D2C sales fulfilled by partner motion.
BUSINESS OUTCOMES	6,000+ new users and \$120K direct product bookings in 12 months, generating 15 ROMI .

Data-Led Budget Reallocation & Performance Scaling | Keysight

KEYWORDS: **Analytics** | **Budget optimization** | **Data-led scaling** | **Performance governance**

CHALLENGE	Limited visibility into regional performance metrics and underutilized intent signals.
ACTIONS	Built advanced analytics dashboards with Domo, Tableau and Looker Studio; aligned media agencies to data-driven investment models.
BUSINESS OUTCOMES	20% improvement in smarter budget allocation and 15% stronger pipeline contribution.

Global Brand Lift & Recall Improvement Campaign | Cisco

KEYWORDS: **Brand lift** | **Programmatic** | **Video** | **Brand measurement**

CHALLENGE	Low brand differentiation in pre-campaign studies for India market.
ACTIONS	Executed insight-led video and programmatic campaigns supported by pre/post brand lift surveys.
BUSINESS OUTCOMES	2.5-point increase in brand consideration and 9% improvement in brand recall.

Multi-Channel Consumer Acquisition Campaign | Network18 TV

KEYWORDS: Multi-channel | Consumer acquisition | Audience reach | Digital adoption

CHALLENGE	Transitioning from traditional-heavy media mix to digital-first strategies for website visits, event registrations and enquiry form fills.
ACTIONS	Executed integrated Display, Print, TV and Event campaigns reaching 20M consumers.
BUSINESS OUTCOMES	15% increase in conversions and support for digital adoption initiatives.

Cross-Media Advertising Portfolio Expansion | The Times of India

KEYWORDS: Media planning | Cross-media | Advertiser growth | Campaign efficiency

CHALLENGE	Limited data-driven planning in traditional media environments.
ACTIONS	Built cross-media campaign management across Print, Radio, Outdoor, TV, Digital and Events for retail, finance, healthcare, government and HR verticals.
BUSINESS OUTCOMES	30% expansion in advertiser reach and 20% improvement in campaign efficiency.
